The purpose of the North High School Silver Cord Program is to instill within students the importance of community service and encourage students to be accountable for investing in their own education and community on a regular basis during their school years.

All students are eligible to earn silver cord hours between September 1st of their freshman year up until May 1st of their senior year. Students volunteering 160 hours by May 1st of their senior year will have the distinct honor of wearing a silver cord during their graduation ceremony.
