Classes are held at the site you register for.

The state of Iowa requires 30 hours of class time and 6 hours of drive instruction and 6 hours of observation time. Drive schedules will be set up during the first class with the classroom instructor. All drive times are outside of scheduled classroom time. During COVID the 30 hours of classroom time will be held online, students will have 45 calendar days to finish the course from the first day the student signs in. The course will be sent out by the start date of the class to the parent email that is put down at the time you register on our website. Each student will also have 6 hours of in car driving and 6 hours of in car observation hours. Students must be able to drive during these dates. Please make sure your voicemail is set up and available for scheduling.
